# SUPPLEMENTAL DECLARATION

Sir:

I, Ikuo Shimizu, a named inventor of the above-identified application. I am Research manager of Yokkaichi Research laboratories, Kyowa Hakko Chemical Co., Ltd., wish to state as follows:

1. On April 20, 2004 I sent, to Kyoko Katagi, a letter with enclosures by "contents-certified" mail. The contents-certified mail requires a signature for delivery, which evidences receipt. Delivery of the letter was refused and the letter was returned to me on April 30, 2004. A copy of my April 20, 2004 letter with translation is attached at

Tab A. Copies of the properly-addressed envelope, and of the Certified Mail receipt, are

respectively attached at Tabs B and C.

2. I telephoned Ms. Katagi on June 30, 2004 and requested that she

execute the necessary Declaration for this application. Ms. Katagi refused.

3. On October 27, 2004, I sent, to Kyoko Katagi, a letter with enclosures

by regular mail. The letter was not returned to me, but neither has Kyoko Katagi made

any response. A copy of my October 27, 2004 letter with translation is attached at Tab D.

4. Finally, on February 12, 2005, at 10:35am, I telephoned Ms. Katagi in

order to request again that she execute the Declaration necessary for filing this

application. Ms. Katagi declined, saying

"I have no disagreement with filings of foreign

applications. But I refuse to sign the necessary

documents."

I hereby declare that all statements made herein of my own knowledge are

true and that all statements made on information and belief are believed to be true; and

further that these statements were made with the knowledge that willful false statements

and the like so made are punishable by fine or imprisonment, or both, under Section 1001

of Title 18 of the United States Code and that such willful false statements may

jeopardize the validity of the application or any patent issued thereon.

Dear Sir/Madam

For the following two PCT applications in which you are one of the inventors, you are required to sign the necessary documents such as Power of Attorney and the like in each country upon entering national phases based on these PCT applications (entering the proceedings in designated states):

(1) "Photopolymerizable Composition"
PCT/JP03/04254 (Japanese Priority Application No.: 2002-104616)
Proposed countries for entering into national phase:
U.S., EPC, Korea and Japan

(2) "Filters for Electronic Display Device"
PCT/JP03/08479 (Japanese Priority Application No.: 2002-195456)
Proposed countries for entering into national phase:
U.S., EPC, China, Korea, Mexico and Japan

We will request you to sign necessary documents such as Power of Attorney and the like associated with the above two PCT applications later. Upon request, please sign the necessary documents and send them back to us. Also, in last year, when I requested you to execute the Power of Attorney for Japanese agent by telephone, we received orally your answer that "I refuse to sign the necessary documents although I have no disagreement with filings of foreign applications". We will have problems about performing the proceedings for these applications if we do not see clear whether we can get your signature or not. Therefore, please let us know whether you intend to sign the Power of Attorney and the like or not to our contact address via a sealed letter or postcard by June 30 (Wednesday) in this year.

Re: Request to sign the documents for entering national phase based on PCT/JP03/08479 entitled by "Filters of Electronic Display Device "

For entering national phase based on the above PCT application in which you are one of the inventors, we need the inventors' signatures.

Therefore please let us have your signature on the six places of the enclosed documents and send them back to us by using the enclosed envelope herewith.

Upon signing them, please note the following points:

- (1) Please sign them with black ink such as a black ball point pen
- (2) Please fill the (Signature) Date (e.g., August 25, 2004)
- (3) For witness, since every person other than Mrs. Kyoko KATAGI is effective as the witness, please let us have the signature of the person.

Please send back them to us by November 11 (Thursday)
